**ESAA CODE OF ETHICS: Submission of this form indicates agreement to the following code of ethics:**

We understand that membership in the English Setter Association of America is a pledge of sportsmanship, ethics, and responsibility and that we, as a member club, agree to the following:

- We are the caretaker not only of the individual dog but of the reputation and welfare of the breed as a whole.
- It is our responsibility to educate the public and to explain, define, and protect the breed.
- It is incumbent upon us to set the example of each dog being individually cherished but only the physically and temperamentally sound being bred.
- We accept the premise that if we breed a litter those dogs are our responsibility throughout their lifetime.
- Our conduct and actions in the sport should reflect positively upon the Association and other fanciers of the breed.
- We will volunteer our time and talents in Association works and endeavors.
- We will encourage the novice, guide the beginner, and school the student while ourselves seeking to exhibit the friendly sportsmanship that befits this gentlemen's breed.
