

ESAA Futurity Bitch Nomination/Litter Registration Form

DUE: Must be postmarked on or before puppies turn TWO (2) MONTHS OLD

Rules:

- All breeders of record (i.e. AKC record owners or lessees of the bitch at the time the litter is born) must have been members of ESAA for the six consecutive months immediately preceding the birth of the litter.
 - If a breeder does not meet this qualification, the breeder can still nominate the bitch/register a litter, with the following stipulations:
 1. The nomination/registration form must be submitted on time with a one-time \$50 late fee. Note: the \$50 is in addition to the \$25 enrollment fee, so the total nomination/registration fee would be \$75.
 2. The breeder must apply for membership with ESAA and the membership must be activated no later than four (4) months following the birth of the litter.
- After the litter is registered in the futurity, if ownership of a puppy changes, the new owner must complete and submit a "Change in Ownership" form to the Futurity/Maturity chairperson immediately. The chairperson must have the correct owner's name(s) two months prior to the Futurity stake at the ESAA National Specialty in order to confirm eligibility.
 - The new owner(s) must be a member of ESAA at the time of the Futurity Stake.

Please make check payable to the English Setter Association of America (ESAA) – U.S. funds only – and send with the completed form to:
