

June 2019 Issue

A NOTE FROM KATHY

Hello everyone –

I hope this issue finds everyone safe after the horrendous storms plaguing so many areas of the country for what seems like weeks now. I love so many things that “Spring” ushers in, EXCEPT the severe weather.

The 2019 National Specialty is just a few months away. Please make your room reservations soon, if you have not already. Our room block closes on August 22. Catalog ads close on August 5, so don't delay in getting your ad in. Judges education and RV reservations close on September 1. **ENTRIES CLOSE ON SEPTEMBER 4**, reserved grooming closes on September 7, and reservations for both Friday night's banquet & the Top Twenty banquet close on September 16. Lastly, PLEASE don't forget your trophy and raffle donations! You can find forms for all activities at www.national.esaa.com.

While plans for the 2019 National Specialty are being finalized, the ESAA committee for the 2020 National Specialty is being assembled by Show Chair, Colleen Bell. The 2020 National Specialty will also be held at Pheasant Run Resort in St Charles, IL. If you are interested in joining this committee, please contact Colleen at bellefarmses@gmail.com. Judi Hunter, our new National Specialty Coordinator and Dave Mates are working with Denise Gilley to secure a site in California for the 2021 National Specialty.

My plans to attend several regional specialties this summer are being sidelined by the impending mid-June arrival of our first litter in seven years. I wish everyone attending the summer specialties safe travels, good luck and good times!

Kathy

Wanted: Your Candid Photos For A Slideshow

Once again, there will be a slideshow celebrating all aspects of our wonderful English Setters to be shown at the National. The slideshow is comprised of YOUR favorite candid photos of YOUR beloved dogs engaged in many different activities or just being sweet or cute.

Please send your photos as jpeg attachments in an email to esthete.es@comcast.net . These photos are projected on a big screen, so tiny files won't work. Also, please make sure your photos are in focus and have the proper exposure (not too dark, not too light, but just right).

BREEDER SPOTLIGHT

We appreciate the

long-time English Setter breeders
who share their wisdom and insight into
their breeding programs!

Thanks to Palisades for this month's
column!

What is your name and any
other family members, etc. who
are or were part of your kennel?

Sisters, Brenda Fischer & Cheryl
Heithaus have been involved
with English Setters since 1975.

Was there a particular dog you
saw in the ring that inspired you
to become involved with the
breed?

Ch. Guys N Dolls Annie O'Brien – Annie took your breath away. She covered ground
when she moved and was a beautiful bitch.

How did you choose your kennel name?

It was the name of a street nearby.

Have you had a mentor or certain person who has influenced you the most? Why?

Marilyn & Jim Jameson (Someday English Setters) – Taught us English Setters.
