

September 2019 Issue

A NOTE FROM KATHY

Hello everyone –

There has been NO RESPONSE to our call for a volunteer to take over the duties of ESAA Webmaster. Our website and the communications that stem from it are vital to the club. As I have stated on numerous occasions Dave Mates will be retiring from this position after the National Specialty which means by the end of September! Time is running out – if your skill set makes you a candidate for this position PLEASE CONTACT DAVE at webmaster@esaa.com for more information.

The National Specialty will be here before we know it. All deadlines have passed except for Friday night's banquet and the Top Twenty banquet which close on September 16th. Tuesday evening's "Kick Off Party" will not only include our Veteran Sweeps and Top Twenty but also a parade of ESAA Versatile Dog Title holders. With the Sock Hop theme it should be lots of fun so please include the Top Twenty banquet in your plans.

BREEDER SPOTLIGHT

We appreciate the

long-time English Setter breeders
who share their wisdom and insight into
their breeding programs!

Thanks to Paisley for this month's column!

What is your name and any other family members, etc. who are or were part of your kennel?

I am Sandy Charkowske, one half of Paisley English Setters, which originated with Elizabeth (Betty) Buege. I met her when I joined the Michigamme ES club and as our friendship grew over

the years she included me in the Paisley name. With her passing in 2018, I am proudly continuing the Paisley name.

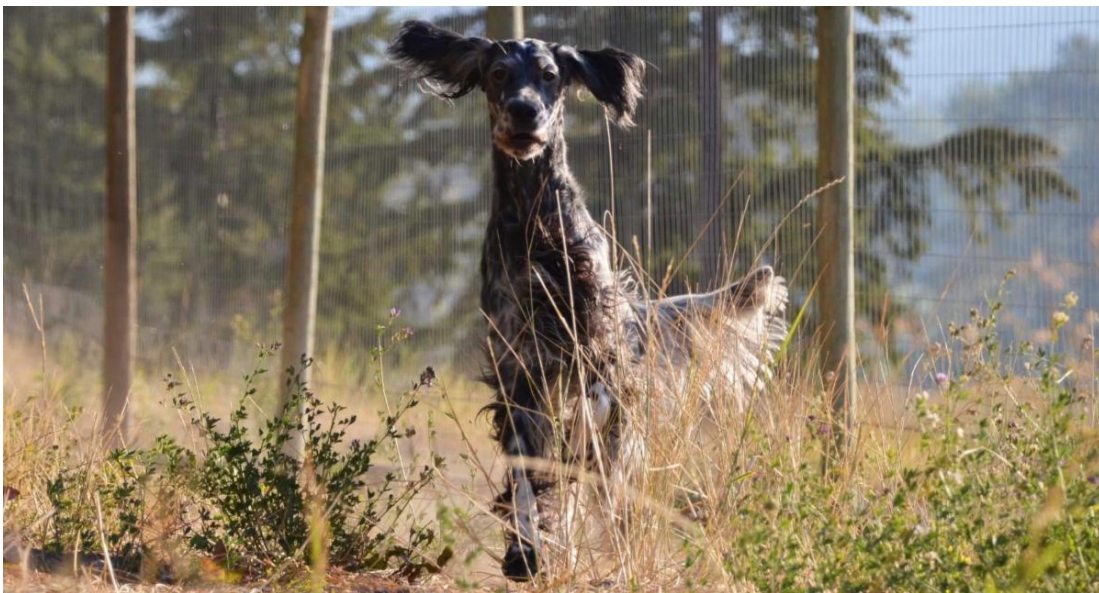

How did you choose your kennel name?

Paisley was chosen by Elizabeth. Betty's family was originally from Scotland and I believe the name represented something or someplace from there.

A Barking Dog

A barking dog can serve a good purpose, letting you know they need attention, alerting you to someone approaching, or even possible danger. But barking dogs in a hotel room or at a show site can be a distraction, or worse. That is why ESAA is taking a proactive stance about barking dogs at the upcoming National Specialty show.

Last year, unattended dogs left in crates in the grooming area raised the ire of the judge and proved to be a distraction during filming of the show. To avoid a repeat of this problem, dogs who bark continuously will be removed from the show site until judging and filming is complete.
