

September/October 2021 Issue

A NOTE FROM KATHY

Hello everyone –

Once again, I must start my message on a sad note. ESAA lost a long-time club member and English Setter fancier, John McCue. John passed away in his sleep on October 10. Please join me in keeping Sandi and her family in your thoughts and prayers.

The 2021 ESAA National Specialty was a spectacular success. The Seattle Airport Marriott, in Seattle, Washington, was a great venue with most rooms overlooking the atrium where the show ring was located. The hotel staff was friendly, and the food was excellent. Julie Brimble, Tannley Goldberg, Charnelle Bolger and the Puget Sound English Setter Club were excellent hosts. Even more impressive was the fact they pulled this together in a little over a year. Normally, a national takes a full two years of planning. THANK YOU ALL for a job well done!

The next ESAA event is our 2021 National Field Championship, being held in Ionia, Michigan on November 8-12. I regret I cannot attend this event due to business commitments, but I encourage all who are able to attend. Our field committee does a great job putting on these events. Good luck to all who participate!

ESAA will once again hold a regional specialty on Friday, December 17, 2021, during the AKC Royal Canin Week in Orlando, FL. Shows with classes for English Setters begin on Tuesday, December 14 and run through the AKC National Championship on December 19. Check www.infodog.com for more information.

Planning is underway for the 2022 Wintergarden Specialties being held at the Stamford Hilton & Executive Meeting Center in Stamford, CT from Friday, January 21

to Sunday, January 23, 2022. Watch the ESAA website and Facebook page for information as it becomes available. Rau Dog Shows continues as the superintendent.

The call for materials for the 2018-2019 ESAA Annual was sent to ESAA membership. Much work went into developing a new vetting/proofreading program to prevent the errors encountered in the 2016-2017 book. This book will be mailed to every ESAA member making it an excellent way to have your dog seen, so please consider advertising to support it.

Until next time – stay safe.

Kathy

Thank You!

We would like to take a little time to thank everyone for making the 2021 ESAA National in Seattle such a success. We aren't even sure where to start; first, to the members of the Puget Sound English Setter Club – a small, but mighty group – Well Done! Everyone stepped up and worked when needed. The Hunt Test and the agility trial included with an all-breed was a success. Rally and obedience was really well attended, with many qualifying and some new titles awarded. We don't want to name names, because we would of course forget someone who contributed, but we are going to send shout outs to Charnell Bolger and Sharon Kays for their fabulous hospitality! They worked morning and night to make everyone feel welcome and to make sure that there was coffee and pastries in the morning and good cheer in the evenings! Job well done. Lisa Nielsen, your small but mighty group who set up the grooming rooms were amazing, that was a LOT of hard work, who knew plastic would be so hard to roll out! Both the ESAA Raffle and the Top 20 Raffle had great prizes.

Thank you to everyone who made the trip to our lush Pacific Northwest to exhibit your beautiful English Setters. We heard such nice things from all of the judges, at the ESAA National, the Puget Sound English Setter Club Specialty and Willamette Valley English Setter Fanciers Specialty.

The staff at the Seattle Airport Marriott had never hosted a dog show before, but they sure were wonderful to work with. We aren't sure they knew what they were getting into, but they were so flexible with all our needs and were willing to change their staffing to help meet the demands in their restaurants.

Thank you to everyone for your efforts and support. A special thank you to the Willamette Valley English Setter Fanciers for being our co-host; we certainly could not have done it alone!

Julie Brimble & Tannley Goldberg
